

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

UNITED STATES OF AMERICA,

Plaintiff,

v.

MICHAEL KAIL,

Defendant.

Case No. 18-cr-00172-BLF-1

ORDER STRIKING BRIEF AT ECF 179

The Court STRIKES Defendant's brief at ECF 179. At this time, the Government has merely filed notice of its intent to use deposition testimony at trial. *See* ECF 178. There is no pending motion before the Court, and the Court has no intention to rule on this issue at this time. The Court also highlights that this reply brief is improper given that Defendant has already filed a simultaneous opposition brief to the Government's notice. *See* ECF 175.

IT IS SO ORDERED.
